Situated on the Chichester Canal adjacent to Premier Marina's Chichester Marina in an area of Outstanding Natural Beauty, Little Stint enjoys a lovely peaceful position overlooking adjacent fields and countryside, within a short walk of Chichester Harbour - a fabulous destination location, popular for boating, harbour and countryside walks, recreation and dining out.

The newly constructed houseboat is built to highest standards, using quality materials, blending traditional techniques with the latest technology, and is thoughtfully designed to maximise space, style, natural light and comfort aboard.

Little Stint can be used as your permanent home or weekend retreat, with designer finish low maintenance lines, an open-plan kitchen/dining/living area, two bedrooms and a luxury bathroom with walk in shower. Energy efficiency includes a high degree of insulation to floors, roof and walls with double glazed windows, plus LED lighting, electric radiators and MHRV (Mechanical Ventilation with Heat Recovery) providing fresh filtered air, whilst retaining most of the energy that has already been used in heating the building.

An outside decked balcony area provides an alfresco style sitting area with views along the canal and the adjacent easily maintained landscaped garden is for the berth holders use - subject to a peppercorn yearly rental agreement.

Little Stint really does provide a unique on water dwelling experience, perfect for weekends away, extended holidays or as a permanent waterside home.
